

*Please fill out this form if you are interested in potential employment for Matson Navigation Company as Master or Chief Mate on a Watson Class LMSR.*

## **Matson Navigation Resume Form**

Name:

Address:

E-mail address:

Position sought (please specify Master or Chief Mate):

## **Work Experience, Qualifications**

What is your current position? What is the highest rating you sailed on your license and when?

Please list relevant qualifications (job experience, license, ships sailed on).

Please list the following for all relevant past employment: dates of employment, name and location of company, position, name of ship, relevant duties.

## **Licenses and Certifications**

Please list licenses and certifications.

## **Education**

Please list schools attended, dates of attendance, degrees received and training courses taken. (The list of courses can be provided on a separate sheet of paper.)

## **Professional Accomplishments**

Are there any particular professional accomplishments or on-the-job successes we should know about in considering your candidacy?

## **Security Clearance**

Do you have a security clearance? (Note: If you do not have a security clearance and you are eventually selected for a position, Matson may be able to assist you in obtaining clearance.)

## **Professional References**

Please supply at least three names and phone numbers or e-mail addresses

Please sign and date this resume.

Be sure to include a photocopy of your USCG license

(Please scan all documents and submit them via e-mail to [tsullivan@matson.com](mailto:tsullivan@matson.com))
